# TESTIMONIES

## Supernatural Childbirth!

"I bless the name of the Lord because He has been faithful to me and my family. I have been trusting God to bless me with the fruit of womb. My daddy, Pastor Dr. Samuel Adeagbo, said a word of faith and he prayed with me. I kept on praying and believing God. Indeed, my God of possibility answered me. A prophecy was said unto me during the revival of 'Koseunti' 2018, through a man of God. I held unto to that prophesy with faith and it came to pass.

God saw me through all the period of pregnancy, there was no complication or sickness whatsoever. With faith, I prayed to God that my delivery shall be a natural birth with ease; no caesarian section. It was so! Glory to God! Mother and daughter are doing good for the Lord."

## Commotion of Breakthroughs!

"I want to thank God for the teachings on faith from the man of God, Pastor Dr. Samuel Adeagbo. God really used him for me. First, I testify of the miraculous financial provisions for my children's fees, after the teaching on the 'wonders of faith.' Second, I claimed healing on my sight and took a step of faith to stop using glasses after 5 years. To God be the glory. Third, I have been inspired to take some bold steps in the Church, and God has been glorified as positive results followed.

Moreover the teaching of faith has drawn me to studying the Word of God more; as I have learnt that the basis of faith is the Word of God, and when we read and apply it to any situation, it produces wonders. Thank you man of God for this great teachings."
