Dear Sir,

RE: INVITATION TO SPEAK AT THE AFRICAN PROFESSIONALS CONNECT USA EVENT

---

On behalf of the African Professionals Connect USA Organizing Committee, we are honored to invite you to speak at the African Professionals Connect USA Inaugural Information and Introductory Session. The event is scheduled for Saturday November 12, 2022, from 4:00PM to 7:00PM at 560 Motif Street Anaheim, CA 92805.

The event is a 3-hour program being curated by African Professionals Connect USA, with an audience of about 30, made up of African professionals and business owners living in the United States of America. The goal of African Professionals Connect is to provide a forum of association that ensures coordination and cooperation in careers, businesses and investments, to strengthen alliances and uphold our African Values through social relationships among African Professionals living in the United States of America. We have enclosed with this letter a welcome note and a brief introduction of our organization.

Your discussion on the topic *African Professionals Advancement in the USA and the Opportunities for Participating in Developing Africa* will be a great addition to our event. This will be a 15-minute segment. A detailed agenda will be sent to you prior to the event.

We believe your voice would be a critical addition to the African Professional Connect USA stage. We are honored and excited to have you as one of our guest speakers. We are very grateful to you for honoring our invitation.

We look forward to hosting you on November 12, 2022.

Yours faithfully,

*Lucy Osoro*
